LEADERSHIP & ACTIVITIES

National Academic Challenge Uzbekistan
Competition coordinator and test-maker March 2026

• Developed original demo tests for Grade 5 and 6 participants across Mathematics, English, and Biology and translated all materials into Uzbek, English, and Russian.

• Supervised multiple participant groups during the competition, managing test administration across sessions at a regional scale.

Econ Case Competition Gulistan, Uzbekistan
Competitor and Team Researcher May 2026

• Researched and structured data supporting the team's position that product quality, not marketing, is the primary bottleneck for youth-led startups, arguing that marketing without a strong product compounds acquisition costs without retention.

• Prepared targeted questions to challenge the opposing team.
